

# Miramichi Cross Country Ski Club

## Membership Rates for the 2022 – 2023 Season

To assist in the administration of your club it is recommended you register for a MCCSC cross country membership on-line through **Zone 4**. The link that allows you to do this is on the club's home page. You can register on-line and pay your dues either directly with a credit card or you can choose to pay by cash or cheque at the club house. Paper registration is available at the club house should you choose not to register on-line. Zone 4 adds a small service fee. Those registering on paper at the club will be charged this small fee as it will be charged to the club when your information is added to the Zone4 data base. All information is confidential and email addresses will not be shared. **Zone 4** is a well established Canadian sport registration and event management company.
