A Note from Paula Cavanaugh:

"Team NB is very proud of our biathletes on their successful return to competition after almost a 2 year hiatus due to the pandemic. The conditions in PEI were beautiful on Saturday and extremely challenging on Sunday. We are now looking forward to Time Trials in Charlo at the end of the month. Our summer training program begins in May and we are anticipating a busy 2022/2023 with the upcoming Canada Winter Games in PEI.

If you are interested in giving "biathlon a shot", reach out to Paula at cavanaugh@bellaliant.net."
