Miramichi Cross Country Ski Club
2012-13 Family Snowshoe Season Pass

Glen Carroll

In Appreciation of Preparing the Snow Shoe Trails

“Next season, we hope to do more skiing at your club than the two times this year. Your club is always so friendly and welcoming and your trails are wonderful. And you have real snow - something quite rare here in the Halifax area!

“Plus we plan to bring more friends from our Martock Club next year. Have a great summer.” Steve

To ALL who spend hours volunteering
for MCCSC in many ways, please know
that their efforts are greatly
appreciated by two "people [who]
travel from as far away as Halifax to
ski!" Our many thanks.

Warm regards to everyone,
Grace and Richard (Beazley)

“Had a very fun afternoon, we
will be back” Marilyn and
Rhyan

“thanks to you, Norm, Dave and everyone else who helped groom your trails and keep us informed about their conditions. All nine of us from our club enjoyed this past weekend immensely and consider your club to be one of the most welcoming ones we have ever been to. The others with us were skiing your trails for the first time ever and were astonished to realize you were only an easy four hour drive from Halifax. I'm sure they will "spread the word" so you may see even more of us next year!”

Ski At Your Own Risk

A person is seen from behind, cross-country skiing through a snowy forest. They are wearing a light pink long-sleeved shirt, dark pants, and red skis. The forest is filled with tall, thin evergreen trees, and the ground is covered in a thick layer of snow. The scene is brightly lit, suggesting a sunny day. The text "THE END" is overlaid in the bottom left corner.
